

Certificate

The Certification Body of
TÜV Rheinland LGA Products GmbH

hereby certifies that the organization

Hamilton Company
4970 Energy Way
Reno NV 89502
USA

has established and applies a quality management system for medical devices
for the following scope:

**Design and development, manufacturing and distribution of
pipetting systems and related accessories, including
sterile disposables, for clinical (in-vitro diagnostic) use
(see attachment for sites included)**

Proof has been furnished that the requirements specified in

EN ISO 13485:2016

are fulfilled. The quality management system is subject to yearly surveillance.

Effective Date: 2019-04-08
Certificate Registration No.: SX 60137075 0001
An audit was performed. Report No.: 31892356 001
This Certificate is valid until: 2022-03-03
